PROFESSIONAL LINE ✛

General Information

Minimum Order

- A minimum order of $10.00 applies to all orders.

Delivery

- Any claims for shortages or damaged product should be made to the carrier within 30 days.
- Delivery will normally be 5 to 10 working days after receipt and credit approval.
- Delivery of special parts not contained in this catalog will be dependant on availability from our vendors and/or manufacturing time.

Returns, In-Warranty, & Damaged Product

- All powerhead assemblies must be pre-approved for return by your Genie Technical Representative.
- All in-warranty products may be replaced or repaired at the option of Genie.

Customer Service/Dealer Order Entry
Phone: 1-800-843-4084, Option 2
Fax: 1-800-221-0132
Hours: Monday–Friday, 8am–5pm EST

Dealer Technical Services
Phone: 1-800-843-4084, Option 3 for Residential Technicians, Option 4 for Commercial Technicians, Option 5 for Aladdin Connect Support, & Option 6 for Gates.
Hours: Monday–Friday, 8am–7pm EST

CURRENT PRODUCTION

OBSOLETE MODELS

Remotes

Model: G1T-BX	Part #: 38501R

- 1-Button Remote
- Intellicode®
- Auto Seek Dual Frequency (315/390 MHz)
- Operates one door
- Master Carton Quantity: 53

Model: G3T-BX	Part #: 37218R

- 3-Button Remote
- Intellicode®
- Auto Seek Dual Frequency (315/390 MHz)
- Operates up to three doors
- Keychain/Visor style, smaller size
- Master Carton Quantity: 53

Model: G1BT-P	Part #: 41538R
Model: G2BT-P	Part #: 41538S
Model: G3BT-P	Part #: 41538T
Model: G4BT-P	Part #: 41538U

- 1-Button, 2,3, or 4-Button Remote
- Intellicode®
- Auto Seek Dual Frequency (315/390 MHz)
- 1-Btn works with 1 door   2-Btn works up to 2 doors
- 3-Btn works up to 3 doors   4-Btn works up to 4 doors
- Visor style, larger size, tactile feel, audible clicks
- 1-3 Button Master Carton Quantity: 63
- 4-Button Master Carton Quantity: 40

Model: GU4T-BX	Part #: 40659R

- 4-Button Remote, Universal
- Works with most popular brands of GDOs and gate receivers
- Comes standard with visor clip AND keychain
- Rolling code and dip switch capable
- Master Carton Quantity: 40

Wall Consoles & Push Buttons

Model: GBWCSL2-BX	Part #: 39165R

- Series II, Multi-Function Wall Wired Console
- Sure-Lock™ Slide Lock button disables remote access by remotes and/or keypads
- Light Control Button
- Master Carton Quantity: 53

Model: GWWC-P	Part #: 39902R

- Single Door Wireless Wall Console, Optional Backlight
- Intellicode®
- Compatible with most Intellicode® openers since 2013 except Mdls 1022, 1024, 1042, 2022, 2024, 2027, 2042
- Door, light and delayed movement buttons
- Master Carton Quantity: 53

Model: GUWWC-P	Part #: 41551R

- 3-Door Wireless Wall Console, Optional Backlight
- Works popular brands of GDOs and receivers
- Control 3 different brands of garage door openers on a single wireless wall console
- DELAY button works on any of the DOOR buttons
- Master Carton Quantity: 40

Model: GWCM	Part #: 42609R

- Wired Wall Console with Motion Detection Lighting
- Sure-Lock™ Slide Lock Button
- Independent Light Button
- Series II, 1995 and later

Push Button - Non-Lit	Part #: 19614R.S

- Universal, Non-Lit Push Button Wall Station
- One large push button for easy operation
- Contents: Push Button, Screws, Insulated Staples
- Master Carton Quantity: Individual Piece Only

Push Button - Lighted	Part #: 29599S.S

- Series II Compatible, Push Button Wall Station
- One large push button for easy operation
- LED backlight
- Contents: Push Button, Screws, Insulated Staples
- Master Carton Quantity: Individual Piece Only

Keyless Entry Pads

Model: GUK-BX	Part #: 41249R

- Lighted Wireless Keyless Entry Pad
- Intellicode®
- Auto Seek Dual Frequency (315/390 MHz)
- Operates up to three doors
- Master Carton Quantity: 36

Model: GUK-BX	Part #: 42368R

- Universal Wireless Keyless Entry Pad
- Works popular brands of GDOs and receivers
- LEDs light and tones sound with each proper button press
- Operates up to three doors
- Master Carton Quantity: 28

Safe-T-Beam® System

Model: GSTB-BX	Part #: 37220R

- Safe-T-Beam System
- Backwards compatible with most Genie garage door openers with photo eye capabilities
- Master Carton Quantity: 25

Lighting

Model: GLEDB2	Part #: 40655R

- Genie Garage Door Opener LED Light Bulb
- Radio frequency friendly - no interference with most garage door openers
- 4000k
- Title 20 (California) Approved
- Master Carton Quantity: 108

Aladdin Connect® External Device

Model: ALKT1-R	Part #: 39142R

- Aladdin Connect Door Control Module Kit
- Monitor door position (open or closed)
- Compatible with most residential openers
- Includes one module and one door sensor
- Compatible with most iOS & Android Mobile devices
- Master Carton Quantity: Individual Piece Only

Model: ALDPS-R	Part #: 39279R

- Aladdin Connect Door Position Sensor
- Door Control Module Required
- Compatible with most iOS & Android Mobile devices
- Compatible with most residential openers
- Uses CR2450 coin cell battery
- Master Carton Quantity: 3

Receivers

Model: GIR1D-P	Part #: 41486R

- Single Door External Receiver + 3btn Remote
- Intellicode® Rolling Code
- 64 Remote Capacity
- Power supply included
- Master Carton Quantity: Individual Piece Only

Model: GIR3D-P	Part #: 41488R

- Three Door External Receiver (no 3btn TX included)
- Intellicode® Rolling Code and Fixed Code
- 255 Remote Capacity
- Power Supply Not Included With 3 Door Receiver (Order 39193A.S Also If Not powered by opener)
- Master Carton Quantity: Individual Piece Only

Miscellaneous

Model:	Part #	Description
GER-R	37374R · Master Carton Quantity: 3	Emergency Release
	38013R · Master Carton Quantity: Individual Piece Only	Dry Contact Adapter

Professional Line Models: Wall Mount Pro Series 6070H, 6070H-B, 6170H*, 6170H-B*
Retail Line Models: Model 6072H, 6072H-B, 6172H*, 6172H-B*

Powerhead: DC Wall Mount

* Integrated Wi-Fi
